

### LIMITED LIFETIME WARRANTY

Congratulations on your purchase of a Regency ceiling fan! Your new fan will be a wonderful addition to your home's décor and will keep you comfortable all year round. We are certain that your Regency fan will provide you with many years of satisfaction and energy savings.

To assure that this limited warranty is effective, please complete the registration card and mail it to Regency within (10) days of the date of purchase to activate warranty coverage or register your warranty online at [www.regencyfans.com](http://www.regencyfans.com).

Note: Regency extends the following warranty to the original purchaser of this Regency ceiling fan. This warranty is void if the original purchaser ceases to own the product.

1. **Limited Lifetime Motor Warranty** – If any part of your fan motor fails, due to a defect in materials or workmanship during the lifetime of the original purchaser, we will provide the replacement part free of charge, when the defective fan is returned to our national service center. Proof of purchase is required (see number 8 below). Labor, if required, is covered for the first one (1) year only (see number 2 below).
2. **One Year Motor Labor Warranty** – If your fan motor fails at any time within one year from original purchase due to defects in materials or workmanship, labor will be provided free of charge at our national service center. Purchaser will be responsible for labor charges after this one year period.
3. If any other part of your Regency ceiling fan (blades, mounting hardware, switches, capacitor, flywheel, etc.) fails at any time within one year after original purchase due to a defect in material or workmanship, we will repair, or, at our option, replace the defective part free of charge for parts and labor performed at our national service center. All transmitters and receivers carry a 90-day repair or replace warranty for defects.
4. NO WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE IN RESPECT TO LIGHT FIXTURES, GLASSWARE, LIGHT BULBS OR THE FINISH ON ANY METAL, RUBBER OR WOODEN PORTION OF THE FAN. Because of varying climatic conditions in the United States, this warranty does not cover any changes in metallic finish including: rusting, pitting, corroding, tarnishing or peeling. Metallic finishes of this type give their longest useful life when protected from varying weather conditions.
5. This warranty is voided if your fan is not purchased from an authorized Regency dealer or not installed in the United States.
6. This warranty does not apply in case of improper installation, failure of supporting devices not supplied as original mounting hardware, neglect, accident, misuse, exposure to extremes of heat or humidity or wind, electrical power line voltage surges, lighting strikes, static strikes, or as a result of modification to the original product. All costs of removal and reinstallation of the fan are the sole responsibility of the original user/purchaser. A certain amount of "wobble" is normal and should not be considered a problem. Servicing performed by unauthorized persons will render this warranty invalid.
7. Regency reserves the right to modify or discontinue any product at any time and may substitute similar parts under this warranty.
8. If you need to return your fan to our national service center, a fee of \$14 must accompany your fan to cover shipping and handling. This fee must be in the form of a money order made payable to REGENCY CEILING FANS. Should you require service at our national service center, you MUST FIRST CALL OR EMAIL FOR A RETURN AUTHORIZATION. BE SURE TO STATE COMPLETELY THE NATURE OF THE PROBLEM.
9. UNDER NO CIRCUMSTANCES SHOULD A PRODUCT BE RETURNED WITHOUT PRIOR AUTHORIZATION FROM REGENCY CEILING FANS and then only upon the issuance of a returned goods authorization number. To avoid damage in transit, all products should be returned in the original shipping carton (or equivalent), as Regency will not be responsible for any such damage. Authorized returns should be shipped freight and insurance prepaid to Regency. Regency will ship repaired or replaced fan prepaid back to you.
10. **A copy of the sales receipt must be sent with fan being returned as proof of purchase.** Please specify in writing the nature of the problem you are having with the fan. Include your name and return address on the inside flap of the carton.
11. IT IS AGREED THAT ANY REPAIR OR REPLACEMENT IS THE EXCLUSIVE REMEDY FROM REGENCY. THERE IS NO OTHER EXPRESSED OR IMPLIED WARRANTY. REGENCY CEILING FANS HEREBY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE TO THE EXTENT PERMITTED BY LAW. Some states do not allow limitations on implied warranties, so the above limitation may not apply to you. For the duration of this warranty, Regency Ceiling Fans shall not be liable for incidental, consequential or special damages arising out of/or in connection with product use or performance except as may otherwise be accorded by law. This warranty gives you special legal rights and you may also have other rights which vary from state to state. This warranty supersedes all prior warranties.

#### Attention Consumer:

Retain this warranty with your bill of sale. It is highly recommended that you retain the original packing to avoid in-transit damage, should you need to ship your fan.
